SIR:

In connection with the above-referenced application, please enter the attached two sheets for Figure 2 (marked copy and clean copy) to comply with the Notice of Allowance requirement 5(b) based on the requirement from the April 11, 2002 Office Action.

In Figure 2 the "To Buffer Control Ckt" is changed to "To Buffer Control Circuit."

Separately, to avoid confusion, Applicants note that this Amendment was already made in a prior Applicants Office Action. The initial objection to Figure 2 was in paragraph 4 of the October 29, 2001 Office Action (not the April 11, 2002 Office Action indicated in the Notice of Allowance paragraph 5(b)). See Exhibit 1.

Applicants filed an Amendment on January 29, 2002 which already made the change from "To Buffer Control Ckt" to "To Buffer Control Circuit." See Exhibit 2.

In the April 11, 2002 Office Action the Examiner accepted the January 29, 2001 amendment to Figure 2 as indicated on item 11 on page 2. See Exhibit 3.

Thus, Applicants respectfully re-submit both the marked and clean copy of the amended Figures 2.

If there are any other corrections required, Applicants request additional clarification. If the Examiner or reviewer of this Communication feels that an interview would facilitate the prosecution of this matter they are invited to contact the undersigned at the number listed below.

Respectfully submitted,

SOFER & HAROUN, L.L.P.
